PROFESSIONAL EXPERIENCE

Cognex

Global Marketing Design Manager

Natick, MA

August 2016–present

- Maintains and develops global brand standards and guidelines, ensuring consistency of the brand throughout regional teams, partners, and contractors.
- Leads visual design for marketing print and interactive collateral, including brochures, signage, mobile apps, web pages, and emails, in support of product launches and global marketing campaigns.

Waters Corporation

Graphic Designer II

Milford, MA

August 2014–August 2016

- Conceptualized and designed a wide variety of marketing print and web materials including catalogs, infographics, brochures, signage for tradeshow events, direct mailers, and packaging.

Freelance Illustration/Design

January 2009–present

- Clean, innovative graphic design and illustration services for print and interactive applications.
- Clients include the Boston Children's Museum, the U.S.-China Health Summit, the Boston Dragon Boat Festival, the Confucius Institute at UMass Boston, and Green Door Labs.

The Home for Little Wanderers

Senior Graphic Design & Web Specialist

Boston, MA

July 2010–August 2014

- Led design of all The Home's print materials including annual report, newsletters, event invitations, booklets, signage, brochures, and posters.
- Managed external website at www.thehome.org, and developed and launched a mobile-friendly, responsive version of the site. Oversaw The Home's employee intranet and played a lead role in redesigning and overhauling the intranet system. Developed and deployed e-mail campaigns and newsletters.

Museum of Science Boston

Graphic Design Intern

Boston, MA

June 2009–September 2009

- Under direct supervision of the lead designer, created signage, postcards, and posters for exhibitions and IMAX presentations, working within institutional style guidelines.
